AMERICAN SHETLAND SHEEPDOG ASSOCIATION

Member of the American Kennel Club

Application for Associate Membership

STATEMENT OF ASSOCIATE MEMBERSHIP POLICY

Because the primary function of the American Shetland Sheepdog Association (ASSA) is the preservation and improvement of the Shetland Sheepdog in accordance with the American Kennel Club Standard, membership is suggested for serious fanciers who have demonstrated a lasting interest in the breed. Application for Associate Membership is open to persons 13 years of age and over who are in good standing with the American Kennel Club, subscribe to the purposes of the American Shetland Sheepdog Association, and agree to abide by the Constitution and By-Laws of the American Shetland Sheepdog Association and the Rules of the American Kennel Club.

The American Shetland Sheepdog Association is dedicated to promoting the breeding and exhibiting of Shetland Sheepdogs that conform as closely as possible to the official Standard and to preserve the unique qualities and characteristics of the breed. The American Shetland Sheepdog Association is the only body that determines the Standard accepted by the American Kennel Club. The American Shetland Sheepdog Association is dedicated to the concept of good sportsmanship and expects this of all members.

APPLICANTS

United States citizens and permanent legal residents of the United States qualify for Associate Membership. This class of membership shall be non-voting and non-office holding.

Applicants must have owned and exhibited a Shetland Sheepdog in AKC Member or licensed shows in conformation, junior showmanship, or performance events in the United States for a minimum of two (2) years, not necessarily over a continuous period. The applicant must have obtained at least one (1) AKC title in any venue or 2-point conformation win on an AKC Registered Shetland Sheepdog owned or co-owned by the applicant. Applicants under the age of 19 may qualify by having been awarded Best Junior Handler at any ASSA National or by qualifying to compete in Junior Showmanship at Westminster Kennel Club Show and/or AKC/Royal Canin National Championship Show in place of the AKC title or 2-point conformation win.

Applicants must have the written endorsement of one (1) ASSA Individual Member in good standing of the American Shetland Sheepdog Association (see Sponsor rules below). Dog breeders who sell dogs to commercial outlets will not be considered for membership. Membership in a local Shetland Sheepdog club in the applicant's geographical area is recommended. A list of regional member clubs may be obtained from the Treasurer.

SPONSOR

Sponsor must be a member in good standing of the ASSA and must have known the applicant for a minimum of one (1) year. Sponsor may not be from the same kennel prefix or family. Sponsor must reside in the applicant's geographical area (**the same state or an adjoining state**). Sponsor must have personally inspected the quarters where the applicant maintains his/her dogs **within the past six (6) months** of application and attest to the conditions of the quarters being acceptable. Sponsor must include a Letter of Endorsement to the application and attest to applicant's interest in the breed; ethical conduct, eg, sportsmanship; methods by which the individual assumes responsibility for dogs produced; estimated number of litters produced annually; breeding and showing activities; titles earned; and club participation. Sponsor should state basis for his/her opinion that the applicant would be a valuable member of ASSA. The sponsor must have been a member of the American Shetland Sheepdog Association for **three (3) years**, and may only endorse one (1) Associate applicant per calendar year.

PLEASE NOTE: New Membership applicants must be posted on the ASSA Website for sixty days prior to a Board meeting. The Board meets at the National and in September to vote on applicants.

Application for Associate Membership

Sponsorship should be viewed as a personal endorsement of the applicant and not just a signature. Sponsor endorsement should signify that Sponsor is personally knowledgeable of the individual and is confident the applicant would be a member the ASSA would be proud to have on its roster. Sponsor should be willing to lend guidance and mentoring to the applicant, in ASSA membership, should the applicant be elected to membership.

APPLICATIONS

Applicant's name, address, and telephone number will be posted in the Members Only section of the ASSA Website for 60 days and screened initially by the ASSA Membership Chairman. The By-Laws of the Association require secret affirmative votes from two thirds (2/3) of the Board of Directors present at a meeting of the Board in order to elect an applicant. Applicants will be submitted to the ASSA Board of Directors for consideration at the first, regularly scheduled Board Meeting (Spring or Fall) following expiration of the 60-day Website posting.

Per the By-Laws of the organization, if an applicant is not elected by the sitting Board of Directors, the sponsor may elect to present the applicant at an Annual Meeting of the ASSA to be voted on by the members in attendance. A favorable vote of 75% of the members in attendance will override the Board's decision not to accept the applicant and vote the applicant into membership, provided the applicant meets the residency and sponsorship requirements of the ASSA.

An application fee of $25.00 and dues payment of $35.00 for the current fiscal year (9/1-8/31) **($60.00 total) must accompany application along with one (1) Sponsor Letter of Endorsement**. If an application for membership is not approved, the application fee will not be refunded.

All applications are acknowledged. Incomplete or ineligible applications will be returned with explanation. Send the complete application to Membership Chairperson Sandy McCambridge.

Please write legibly.
